## **Lenten Group Study**

Are you looking for encouragement to support your Lenten practices? This year we will take our instruction from Max Lucado's *Help is Here*, to explore the Holy Spirit's role in our spiritual journey. Each week during Lent we will gather for a potluck dinner, a short video Bible study, and discussion in the Parish House. Dinner will begin at 5:30PM. At 6PM we will watch the video and then discuss what we learn. Come, and bring your friends!

## **Minister's Musings**

### **Alleluia Intermission**

We have all been there. The one voice among the congregation with the accidental "alle..." before biting off the last syllable and remembering that joyful exclamation is on temporary suspension. Oops.

But why? Why do we pause the joy? In a world filled with so much pain and heartbreak, what could possibly be the benefit of losing one of our constant sources of delight? Is God mad? Has God fled? Certainly not! But as we all know, there is something powerful about periods of transition and suspension that build expectation and allow us to experience things differently. And so, Christians, like so many other religious practitioners from various faith

traditions, choose to embrace a period of restriction.

In Lent everything about the weekly liturgy shifts from joy and praise to penitence and reflection. We forgo the Gloria in favor of seeking mercy. We remove the altar flowers and veil the crosses. We limit our music and privilege the minor keys. We choose a reflective posture, stillness, and quiet. For five Sundays our congregational focus will be on the cost of sin rather than the joy of salvation. We can do this free from fear because we know Easter is coming.

We exist in a noisy world and cannot help but be influenced by its clamor. The news, social media, music, friends, and entertainment all loudly tell us what to think and how to feel. During Lent, our churches mark a stark difference in our practice to highlight The Voice that is so often unnoticed above the fray. If it feels jarring or unsettling, in contrast to the outside world, that is an invitation. We do this together, deliberately, so we can hear. We will move from here in forty days with both the joy of anticipated release and a freshly calculated sense of purpose.

If you find yourself cutting off the praise, mid-word, in the next worship service you attend, don't be embarrassed. We are all grateful to know and be reminded that the Alleluia's will soon return! But, for now, we will try to remember together the reason why we are holding ourselves back. Soon enough we will celebrate again. Thanks be to God...

-Rev. Becki

Collect: Direct us, O Lord, in all our doings with your most gracious favor, and further us with your continual help; that in all our works begun continued, and ended in you, we may glorify your holy Name, and, finally, by your mercy, obtain everlasting life, through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

# Lent Retreat Graves Mill

## Preparing Our Hearts

Christians have a long tradition of honoring the 40-day season of Lent in preparation for Easter. Historically this period was marked by reflection, prayer, fasting, confession, and almsgiving. In modern life, it can be challenging to carve out the time to honor Lent in a meaningful way. God is always calling to our hearts, but we often feel that pull distantly through the endless pressure of our schedules. If your soul feels a craving to connect more deeply with God and others, if you desire to pause the busyness of life and make space to hear the voice of God, or if you feel drawn into something you may not even be able to name, then this retreat is for you. Join us and explore what God's Spirit is stirring.

# **Creation Care Committee Open House (Via Zoom)**

**March 18 @ 7:00 pm - 8:30 pm**

The Diocese of Virginia's Creation Care Committee (CCC) was established by Bishop Peter Lee several decades ago as a way to bring awareness to parishes of God's gift of creation. During the subsequent years, our world has changed. While the CCC continues to celebrate God's gift of creation, it also encourages both parishes and individuals to increase energy efficiency of their properties, reclaim and restore the native habitat around them, and consider spiritual resilience in a climate-changed time. Our work unifies us because of our common faith. We offer worship resources, educational experiences, and safe places for discussion—always focusing on loving Jesus, embodying justice, and trying to serve as disciples. The CCC meets monthly and has two working groups: Habitat Restoration and Spiritual Resilience. We invite you to join us on March 18, 7 PM. Click [here](#) for more information. Register by March 15 by emailing [\*\*creationcare@episcopalvirginia.org\*\*](mailto:creationcare@episcopalvirginia.org)
